Write something special that you would like Santa to bring you or your family:

Peace and Good Health for all my Family members. I would love to hear from Fema to help me start over again in Waveland, Ms. They are so hard

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

to reach. I have applied for help with rent but no answer yet. Never paid rent. My home was paid for. I'm sure I'm not the only one. It does get a little bit discouraging. I am 77 years old. I hate being so far from the rest of family. So Santa see what help you can get for me. Thank you,

Mrs Patricia H. [redacted]
